

Rackheath Primary School

Newsletter

Friday 25th January 2013

Reading Café

Class 5 will be very pleased to see so many of you this week. Next week, on Tuesday at 2.00pm, Class 1 will be holding their Reading Café and we look forward to seeing you there.

Maths Workshop

We were delighted to welcome so many of you to our Maths Workshop on Addition and Subtraction. We really hope you found it useful. For those of you who were unable to attend you should receive a copy of our leaflet today. We are also putting a copy on the website for each class.

There is a short questionnaire at the end of the newsletter and we would be ever so grateful if you could complete and return this. We value your feedback so that we can make these occasions as useful and informative as possible.

Residential trip

Next week Class 5, followed by Class 4, are going to Horstead and we look forward to hearing all about it when they return! I'm sure they will have a super time.

Building News

Work is due to commence on Monday 4th February on our new classrooms. Inevitably this will cause some disruption but also present lots of wonderful learning opportunities! Entry from the front of the school to the playground will have to be changed until the project is completed. It is anticipated that the new classrooms will be ready for the start of the next school year, September 2013. I will send out more information next week.

RSPB

Next week, whether at school or at the Horstead Centre, we will be taking part in the RSPB Big Bird Watch! Please remember, if you can, to donate any old bread on Monday so we can begin to attract the birds. Some of us will use the data in our maths lessons and Class 2 have already produced some fabulous bird pastel drawings!

Jumble Sale

The Rackheath Ladies Netball Team will be holding a Jumble Sale at school on Saturday 16th February at 1pm to raise funds for a kit, etc.

House Points

Week Ending 25th January 2013

FIRST	RANWORTH HOUSE	34 points	<i>Running total 619 points (1st)</i>
SECOND	HICKLING HOUSE	30 points	<i>Running total 535 points (3rd)</i>
THIRD	OULTON HOUSE	29 points	<i>Running total 538 points (2nd)</i>
FOURTH	BARTON HOUSE	25 points	<i>Running total 525 points (4th)</i>

Well done to Ranworth House – back on form!

Very well done to all those being recognised for their super contribution to school. Our awards this week go to the following children:

	STAR	ANGEL	DIAMOND
Class 1	Danielle Ramm	Mason Parfitt-Bland	Louie Bond
Class 2	Molly Broadwater	Charlotte Hunn	Jamie Barrett
Class 3	Rosie Milligan	Joe Turner	Oliver Firman
Class 4	Ryan Daynes	Gemma Smith	Dylan Parnell-Crook
Class 5	Isabella Firman	Salvu Keeble	Kai Wickham
Class 6	Megan Rivett	Bethany Goddard	Vicky Burdett

Best Wishes,

Jim Shearly

Maths Workshop Questionnaire

We would be grateful if you could complete and return this short questionnaire:

- Did you find the workshop useful?
- Do you feel that you now have a better understanding of how we teach addition and subtraction?
- Did you like the format of the workshop?
- Would you like a workshop on how we teach multiplication and division?
- Was the leaflet on addition and subtraction helpful and clear?

To help us make any further workshops better for you do you have any suggestions? (*These might be about the format, different formats, timing etc*)
