**It has been another great week in school with lots going on. The children have produced some super work and as usual demonstrated excellent learning behaviours.**

- Year 2 South Africa, France, Tonga
- Year 3 England, Scotland, Uruguay
- Year 4 Ireland, Argentina, Namibia

There is a box in reception for raffle prize donations and donations of cakes will be gratefully received on the day.

**Aldi Kit For Schools – We have already had lots of the Aldi Tokyo 2020 Olympics stickers sent in. The poster is already beginning to fill up. There is a collection box in the reception area, so please keep collecting so we can fill it up!**

**Book Fair – We have a book fair in school all next week starting on Monday 23rd September. The book fair will be open every day after school where there will be lots of great books to buy. A letter with more details of the week went out earlier in the week.**

## Parking

Thank you to everyone for parking carefully which really helps keep our children safe. For those new to the school parents can park in the church car park and the Sole and Heel car park at the start and end of the day. Just a reminder the school car park is only for school staff. Only parents who have reached an agreement with the school to use the car park for a specific reason can use the car park. On a similar theme please can the disabled spaces be kept clear.

**School Council 'Switch Off Crew'** – Last term Alice Shaw and William Finch patrolled the school a few times each week to see how good we all were at saving energy. A total of 10 points could be earned by each class and points were deducted for lights left on in empty rooms, computers left on at the end of the day, devices left on charge when fully charged and music left on when the room empty. It was very close in the end but Year 6 won with maximum points of 140! Well done everyone. This term our new crew are Xane Brister and Emily Thoullass.

**External Painting Project** – From Tuesday 24th and for the rest of the half term we will have decorators in school painting the outside of the school. Disruption should be minimal but there may be times when the top path has a section closed.

**School Uniform** - Retro Alley our fantastic school uniform suppliers have their first pop up shop of the year on Tuesday 1st October. They will be in school just before the end of the day until around 3.45pm. (depending on demand) You can also order from their website <https://retroalley.co.uk>
