

Anti-Bullying Policy

Summer 2018

Statement of Intent

We are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are a telling school. This means that *anyone* who knows that bullying is happening is expected to tell the staff.

What Is Bullying?

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must be aggressive and include:

- An Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.

(Definition taken from Stopbullying.gov)

Bullying can be:

- **Emotional** - being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- **Physical** - pushing, kicking, hitting, punching or any use of violence
- **Racist** - racial taunts, graffiti, gestures
- **Sexual** - unwanted physical contact or sexually abusive comments
- **Homophobic** - because of, or focussing on the issue of sexuality
- **Verbal** - name-calling, sarcasm, spreading rumours, teasing
- **Cyber** – all areas of internet, such as email and internet chatroom misuse, mobile threats by text messaging and calls, misuse of associated technology (i.e. camera and video facilities)

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

Schools have a responsibility to respond promptly and effectively to issues of bullying.

Objectives of this Policy

- All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is.
- All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported.
- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.
- Bullying will not be tolerated.

Signs and Symptoms

A child may indicate by signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and that they should investigate if a child:

- is frightened of walking to or from school
- doesn't want to go on the school / public bus
- begs to be driven to school
- changes their usual routine
- is unwilling to go to school (school phobic)
- begins to truant
- becomes withdrawn anxious, or lacking in confidence
- starts stammering
- attempts or threatens suicide or runs away
- cries themselves to sleep at night or has nightmares
- feels ill in the morning
- begins to do poorly in school work

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated

Procedures

1. Report bullying incidents to staff.
2. In cases of bullying, the incidents will be recorded by staff and the Headteacher will be informed of the situation and actions being taken.
3. Staff at the school will consult on the best path forward. Initially in most cases staff will use the “no blame approach to bullying” where the children involved will meet either together or separately with a staff member regularly until the incident is resolved.
4. Parents will be kept informed of the process as appropriate.
5. In serious cases parents should be informed and will be asked to come in to a meeting to discuss the problem
6. If necessary and appropriate, police will be consulted
7. The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly
8. An attempt will be made to help the bully (bullies) change their behaviour.
9. All bullying incidents will be logged by the Headteacher

Outcomes

- The bully (bullies) may be asked to genuinely apologise. Other consequences may take place.
- In serious cases, suspension or even exclusion will be considered
- If possible, the pupils will be reconciled.
- After the incident / incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.

Prevention

We will use a range of methods for helping children to prevent bullying and raise awareness in school. As and when appropriate, these may include:

- writing a set of school rules
- signing a behaviour contract
- writing stories or poems or drawing pictures about bullying
- reading stories about bullying or having them read to a class or assembly
- making up role-plays
- having discussions about bullying and why it matters
- raising bullying as an issue in PSHCE lessons
- participating in National anti-bullying week
- reminding all pupils of the responsibility of bystanders to report all incidents of bullying.

Our PSA, Claire Cookson will work closely with relevant members of staff in issues around bullying.
